Conclusion

Now since we have some information about the State Fair now we need to think about: Some safety rules we can use at the fair. We need to organize small groups together and paras who will be in charge. How about a letter home to inform you parents as of this information we have shared? Let's have a GREAT time enjoying a Pueblo community event!!!

Paulette Borthwick is an instructor with TAP with District 70. This program that teaches life skill to 18-21 years old with disabilities. We have several domains we address and this lesson could integrate into both Leisure/ Recreational and Community Domain . We take our students out in the community one a week to increase their knowledge of their own community. Paras are provided to insure the safety of all students. Our most severe students just need to get comfortable in the public setting so this is most important to provide different experiences. Standard of Transition Activities program: Recreation/Leisure Domain VII Leisure Time Management---E. Select independent activities that would provide personal pleasure and development These activities will need to be differentiated for all students in our program.
